

Simply Quackers

Why Duck?

Duck is a **lean, nutrient-dense** source of protein and also provides nutrients such as iron, selenium, B vitamins and zinc which contribute towards general health and wellbeing.

Why Orange?

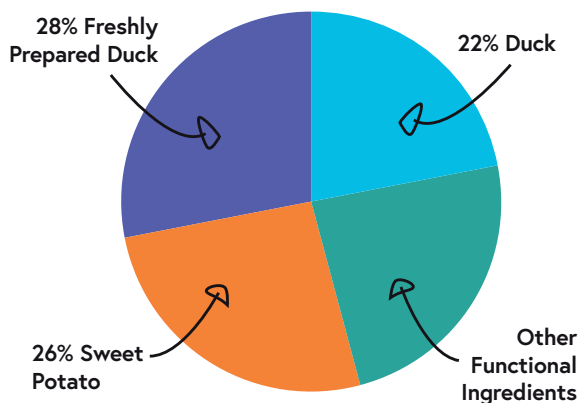

Orange is well-known for being **rich** in vitamin C, an anti-oxidant which can **help** support the immune system.

'They encouraged us to check the ingredients and compare with other brands for price and content. We were pleasantly surprised how it was priced compared to some of the high end brands out there. It works out at just under a pound a day for us'

The Marsden family, Essex
